SURVEY REPORTS AND ARBITRATION AWARDS.

Whereas it has been represented to the Cochin Chamber of Commerce that it is desirable to give Survey Reports and Arbitration Awards an official character, the following Rules (in which the word "Arbitrator" includes "Surveyor") have been passed by the Chamber for the attainment of that end:—

Rule I. Certain gentlemen, who have been nominated and unanimously elected by ballot by the Committee of the Chamber, shall be appointed Arbitrators to the said Chamber of Commerce; but the Chamber reserves the right of cancelling the first and all future appointments by a majority of votes of the Committee of the Chamber by ballot.

Rule II. References to the Chamber may be made:—

(1) If both parties to a contract state their willingness in writing to abide by the decision of the Arbitrator selected by the Committee from the above list, or subsequent additions thereto.

(2) If one of the parties to a contract state in writing that one of the conditions of the contract in dispute be that a reference lies by him to the Chamber of Commerce.

Rule III. No Arbitrator shall adjudicate in a matter in which he or his employers are interested, and no two Arbitrators connected with the same firm shall be selected to settle any dispute.

Rule IV. The Chairman shall select the Arbitrators in rotation from the authorised list, subject to the provisions of Rule III.

Rule V. One or more Arbitrators shall be appointed for the settlement of each matter under reference, according to the wishes of the person or persons referring the question to the Chamber. In the event of no special number of Arbitrators being agreed to, one only shall be appointed.

Rule VI. The names of Arbitrators shall not be made known to any persons whatever, except as provided in Rule XVIII.

Rule VII. The approved list of Arbitrators under these Rules shall be circulated annually, or whenever asked for, to all Members of the Chamber and shall be supplied to any party applying for the same.

Rule VIII. Before any Arbitration shall be entertained, a deposit of Rs. 16 for each Arbitrator, and Rs. 16 for an Umpire (in case the number of Arbitrators asked for be an even number), and Rs. 16 for the Chamber of Commerce for *each contract*, together with the value of stamp under Act I of the Indian Stamp Act, 1879, required on the Award, shall be made with the Chairman. Fees not expended will be returned to the depositor.

In cases where neither of the parties to the application shall be subscribing Members of the Chamber of Commerce, the fees payable shall be double those mentioned in the preceding part of this Rule, and the said enhanced fees shall be divided equally between the Arbitrators and Umpire of the one part and the Chamber of Commerce of the other part.

Rule IX. As soon as possible after applying for Arbitration under the Chamber's Rules, each of the parties shall submit in writing a statement of the matter in dispute ; the original of such statement shall be signed, but for the use of the Arbitrator the parties shall submit an unsigned copy of their statements.

A joint statement may be signed and sent in, but with unsigned copy thereof.

The original contract, or an attested copy, must accompany every reference.

Rule X. In the event of the Arbitrators not being able to come to a decision by a majority of votes, the Chairman shall request the next Arbitrator on the list to act as Umpire to decide the matter, and his decision shall be final, and need not necessarily agree with that of either of the Arbitrators.

Rule XI. Arbitrators and Umpires shall have the right to call for such evidence as they may deem necessary, but shall not have the right to take the opinion or assistance of Attorneys or Counsel.

Rule XII. Arbitrators and Umpires shall, as far as possible, support their Awards by a statement of the reasons upon which the same may be founded.

Rule XIII. If the seller shall have offered an allowance equal to, or more than, the allowance granted by the Arbitrator ; then the whole cost to the Survey or Arbitration shall fall on the buyer. If the buyer have offered to accept an allowance equal to or less than the allowance decided by the Arbitrator, then the whole cost of the Survey or Arbitration shall fall upon the seller. If the Arbitrator awards no allowance, the whole cost of the Arbitration shall fall on the buyer. In all other cases the Award shall state which of the parties to the Arbitration is liable for the payment of the Arbitration fees.

Rule XIV. All decisions shall be submitted in writing to the Chairman who shall then, without disclosing the names of the Arbitrators, communicate the result to the parties concerned.

Rule XV. A record of all Arbitrations shall be kept in the office of the Chamber of Commerce, and shall be open at all times to the inspection of Members of the Chamber ; but such record shall not disclose the names of the parties concerned in such Arbitrations.

Rule XVI. Both the parties to an Arbitration shall, on application, be entitled to receive from the Chairman of the Chamber of Commerce a certified copy of the Award under his signature. For each copy of such certificate a fee of Rs. 3-8 shall be payable to the Chamber of Commerce.

Rule XVII. The insertion of a clause is recommended in all contracts made with dealers to the effect that in the event of any dispute, the parties to the contract agree to abide by the decision of an Arbitrator, or Arbitrators, appointed by the Chamber of Commerce under its Rules for Survey Reports and Arbitration Awards ; but it is decided that the insertion of such clause is optional, and that Members of the Chamber are in no way bound to submit disputes to Arbitration under these Rules in the absence of such clause in their agreements with dealers.

Rule XVIII. Should parties to an Arbitration require the attendance of the Arbitrator in a suit pending in the Law Courts in which an Award of the Chamber is to be produced in evidence, the Chairman is authorised to give the name of such Arbitrator upon receipt of a requisition by either party for stating that it is that purpose only that the information is desired.

HOLIDAYS IN PUNJAB.

Public Holidays for the year 1917.

The following extract from the Punjab Government Gazette, dated December 1st, 1916, is republished for information.

The 25th November, 1917.

No. 212—Genl. 6.—Notification.—It is hereby notified that the holidays to be observed in public offices under the Punjab Government during the year 1917, which are specified in the schedule hereto annexed, are public holidays within the meaning of section 25 of the Negotiable Instruments Act, 1881. These holidays should be given to all Government servants, subject to the single condition that it should be open to the head of an office to stop a holiday notified under the Act in the case of any individual guilty of idleness or inattention to duty, unless the day in question is deemed specially sacred by the members of the religion which the offender professes.

2. In addition to the holidays specified in the schedule all Government offices will be closed from Friday, the 28th, to Sunday, the 30th December, 1917.

Local holidays will be given on—

Hola Mohalla, Friday, 9th March, 1917.

Guru Nanak's birthday, Wednesday, 28th November, 1917.

These local holidays are confined to the districts of Ambálla, Ludhiána, Jullundur, Hoshiárpur, Ferozepore, Lahore, Amritsar, Gurdáspur, Siálkót, Gujránwála and Lyallpur. Guru Nanak's birthday is also allowed in the Ráwalpindi District, and Guru Nanak's and Guru Gobind Singh's birthdays in the Montgomery District. There will, however, be no celebration of Guru Gobind Singh's birthday in the year 1917.

3. Local holidays for great festivals or fairs peculiar to particular places may be granted at the discretion of heads of offices, provided always that there are no arrears of work. The maximum number of such holidays that may be given by district officers is seven. This number should not be exceeded, and district officers should report to Commissioners before the beginning of the year the holidays proposed for their districts, and should fix them after the sanction of the Commissioner to the proposals has been obtained. Heads of offices may also, subject to the condition that there are no arrears of work, permit the last Saturday of every month to be observed as a holiday in the English and Vernacular Offices. In such cases all establishments should be allowed, subject to the condition laid down in the case of public holidays under the Negotiable Instruments Act, to take full advantage of the holiday.
