Column 3. The figures entered include not only the cases actually reported during the year, which alone have been compared with those of the previous year in the portion relating to the state of crime in the report on the administration of criminal justice, but also cases remanded for retrial, received by transfer etc.

Column 15. The difference of 29 between the figures in columns 8 and 15 is accounted for by the fact that 2 persons were sentenced to death for capital punishment for murder and 27 persons (all juveniles) were ordered to be sent to the Reformatory and not sentenced to any of the punishments specified by in columns 9 to 14.
